1

- Using a paint brush, cover the paper with ink.
- Try using a mix of colours.
- When you are happy let the ink dry.

2

- Add new colours on top of the ink with soft pastels.

3

- Keep adding more colour with the pastel to build up layers.

4

- Stop when you are happy with your piece.
- You should now have a colourful and textured abstract artwork.

LAYERING COLOUR

with

Mohammed Imran Khan
